# SPORTS TOURING RADIAL

## **ALPHA**-H1

### **THRILL UP YOUR BEAST**

#### **DESIGNED ESPECIALLY FOR**

*The ones who set out and don't stop through changing weather and road conditions. The seekers of thrill. The ones who go the extra mile for an adrenaline rush. The ones who ride to rule.*

*The ones that ride to go the distance.*

#### **Zero degree steel belt**

*Optimized structure with zero degree steel belt for high-quality performance.*

#### **Dual-radii cavity profile**

*Quick to achieve lean angles and outstanding sport handling.*

#### **V-oriented grooves**

*Excellent wet performance and short braking distance.*

# SPORTS TOURING RADIAL

## TRAMPLR -ST

**ROAD AHEAD. FUN AHEAD.**

**DESIGNED ESPECIALLY FOR**

*Tramplr ST is complemented by the mnemonic of the road ahead which represents street and local riding. The design pushes you to turn the streets into your playground and become the lord of this game.*

### **Open transverse grooves**

*For better performance on dry and wet roads.*

### **Alternate large shoulder blocks**

*For confidence at lean.*

### **Staggered central Tread blocks**

*For balanced contact on street and sandy terrain.*

# SPORTS TOURING RADIAL

## **TRAMPLR -XR**

**LET ONLY THE COMPASS KNOW  
YOUR LOCATION.**

**DESIGNED ESPECIALLY FOR**

*Tramplr XR is complemented by the mnemonic of a compass which represents the nomadic nature of adventure biking and exploration. it inspires you to get lost in the wilderness with your bike and let the compass guide you to find your way.*

### **Alternating tread pattern**

*For better all terrain capability and greater stability.*

### **Life indicator**

*To highlight the life of tyre.*

### **W-shaped open grooves**

*For efficient mud evacuation and hydroplaning.*

### THRILL UP YOUR BEAST

#### DESIGNED ESPECIALLY FOR

*The riders who aren't slowed down by the weather or the condition of the roads they're traveling. Be it the toughest roads to navigate or the harshest weather to ride in, with the Alpha S1, your journey continues fearlessly.*

#### **Zero degree steel belt**

*Optimized structure with zero degree steel belt for high-quality performance.*

#### **Dual-radii cavity profile**

*Quick to achieve lean angles and outstanding sport handling.*

#### **V-oriented grooves**

*Excellent wet performance and short braking distance.*

# STREET SPORTS

## **actiZIP**<sup>™</sup> -R5 & F5

**ENGINEERED TO EMPOWER TRUE RIDERS**

**DESIGNED ESPECIALLY FOR**

*The unstoppable. The invincible. The ones who ride on through every situation. The true riders who seek superior performance every time they set out to go the distance.*

### **Reduced braking distance**

*New-age tread compound to provide safety wherever you go.*

### **Unmatched sport performance**

*Rounded cavity profile with an extended shoulder for excellent leaning and sport performance.*

### **Minimized hydroplaning**

*Continuous zig-zag grooves for improved water channelling.*

# STREET SPORTS

## **actiGRIP<sup>™</sup>** -R4

**REAL TYRES FOR REAL RIDERS**

**DESIGNED ESPECIALLY FOR**

*The daring. The brave. The nomads.  
The ones who go where the roads take them,  
and where they don't.*

**New tread design for better grip**

*Increased grip on a wide range of  
tarmac and weather conditions.*

**High resistance to  
aquaplaning**

*Better performance with  
variable groove connected  
to the shoulder.*

# STREET SPORTS

## **actiZIP<sup>™</sup>** -R3 & F3

**HIGH SPEED, HIGH COMFORT**

**DESIGNED ESPECIALLY FOR**

*The ones who race with the wind. And win.  
The unstoppable unfazed by the unfavourable.*

### **Minimized hydroplaning**

*Stylish parabolic tread groove for easy water evacuation.*

### **High-speed riding comfort**

*Tyre profile and carcass structure allow for high-speed driving comfort at leaning angles.*

# STREET SPORTS

**actiGRIP<sup>™</sup> -R1**

**TAKE THE UNPAVED ROADS WITH CONFIDENCE**

**DESIGNED ESPECIALLY FOR**

*9 to 5 deadlines, and weekend getaways to the suburbs,  
the Apollo ActiGrip R1 is built for every side of you.*

*Designed to ensure precision, safety and stability in every  
journey you make, so you go the distance every time.*

**High resistance to  
external damage**

*Damage-resistant turtle  
shell tread pattern.*

**Maximum grip and tread life**

*Wide pentagonal blocks at centre  
and angular blocks at shoulder to  
ensure stable riding and  
self-cleaning tread capabilities.*

**All-terrain perfection**

*Cornering traction in sand and  
muddy terrains.*

# STREET SPORTS

**actiSTEER<sup>™</sup>** -F1 & F7

**actiZIP<sup>™</sup>** -F2

**CONFIDENCE WITH SPECIALIZED STEERING PORTFOLIO**

**DESIGNED ESPECIALLY FOR**

*The ones who take charge. The leaders. With our range of specialized front tyres built for the ones born to lead, every journey you make is bound to go the full distance.*

**Enhanced water evacuation and steering control**

*Ensured precision while riding.*

**Assured directional stability**

*Continuous 5-rib tread pattern with wider channel grooves for total control.*

**Enhanced water evacuation and traction**

*Provided by a combination of rib-and-block tread pattern with wider channel grooves.*

**Enhanced steering control in urban and rural application**

*Combination of rib and block tread pattern with wider channel grooves.*
