PRODUCT HIGHLIGHTS

# SUPERB HANDLING PERFORMANCE

## ULTRAS VORTI

### BENEFITS

- Superior wet and dry braking
- Precise and responsive steering at high speed
- Very good controllability especially while cornering

**LABEL\*\*** (285/30 ZR19)

### FEATURES

- High traction tread compound for increased grip
- Stiff and solid outer shoulders
- Dedicated designs for front and rear axle

## MAXIMUM PERFORMANCE FOR YOUR SPORTS CAR

## ULTRAS VORTI R

### BENEFITS

- High level of control while cornering
- Direct and predictable steering response at high speed
- Superior dry braking

**LABEL\*\*** (295/30 ZR19)

### FEATURES

- Tyre contour designed for minimum deformation during cornering
- Optimised for use on front or rear axle
- Tread material with specialty polymer and resin

## ADVANCED TECHNOLOGY

### ULTRAS VORTI

- High traction tread compound amplifies grip both on wet and dry roads
- Stiffness optimized tread block to provide stability during braking
- Stable center rib for steering precision
- Stiff and solid outer shoulders for quick steering
- Dedicated rear axle version: optimum balance between grip and stability on rear axle
- Front axle dimensions are designed with lower belt angle while rear axle dimensions are designed with wider belt angle for better stability

### ULTRAS VORTI R

- Front axle dimensions are designed with wide circumferential groove for efficient water drainage on wet roads
- Rear axle dimensions tread pattern stiffness is optimized for maximum stability during sharp cornering
- Longitudinal grooves with slanting sides delivers control during cornering
- Excellent grip of tread compound offers good traction with road during high speed cornering
- Tyre contour is designed for minimized deformation during cornering
